

How to Get Certified at Scrum.org in 3 easy steps

1. Do the open assessment of your choice at :

<https://www.scrum.org/Assessments/Open-Assessments/Scrum-Open-Assessment//>

I recommend until you get 100% 3 times. This is just a guideline. You need to feel confident :)

For Scrum Masters I recommend you do the Scrum Open Assessment

2. Until you pass - Read the Scrum Guide/

Sit this course again till you pass the open assessment. The scrum guide is also attached to this course

and available at: <http://www.scrumguides.org/>

3. When you pass - Pick a Certification at:

<https://www.scrum.org/Assessments/>

To be an officially certified scrum master you will want to pick the PSM 1

Good luck!

Paul.

Get the free Daily Team To-do list [here](#) to take your team to the next level!

Scrum To-do List

Grab it now ! 

- Update list of impediments from daily scrum, emails and other context
- Prioritize impediments above
- Consider any team impediment
- Write sprint report to client (if required)
- Close up any information holding up sprint teaching log. Most parts supplied on request
- Make sure team follow and each team are visible in team room
- Arrange meetings and have plans to coach any new or novice team members, product owners or stakeholders

NOTE: When it's time to update your team's productivity, get them asking their own team and get them planned for the day! [Check out the Daily Scrum Checklist](#) so you can learn the steps you MUST need to coordinate and communicate with your team every day! Get your [Daily Scrum Checklist](#) [now!](#)
