

## Scrum Guide Attribution and Use

This course has the Scrum Guide Attached to it and uses screenshots of the Scrum Guide in order to draw your attention to the scrum rules. We have licensed the use of the Scrum Guide using the creative commons license below. For legal reasons, the following attribution and creative commons license have been added and relates to the scrum guide:

**Author(s):** Ken Schwaber and Jeff Sutherland

**Link to source material:** <http://scrumguides.org/>

**License:** <http://creativecommons.org/licenses/by-sa/4.0/legalcode>

**No Changes:** No changes have been made to the content of the scrum guide in this course, however parts of the Scrum Guide have been highlighted and excerpts of the scrum guide have been used within videos in this course. The licensor of the above license in no way endorses me or my use.

**No Restrictions:** I apply no legal terms or technological measures that legally restrict others from doing anything the license permits.

## This course is up to date

Hello there!

I just wanted to make sure you are absolutely certain that **this course is using the November 2020 Scrum Guide**. Any images used from the older scrum guide are purely for illustrative purposes :)

You will be given a link to the Open assessment (for practice) and Scrum Certification at the end of the course. There are also quiz questions along the way!

So enjoy the course and I will speak to you soon!

Paul VII - CEO / Managing Director of Pashun Consulting Ltd.

Get the free Daily Team To-do list [here](#) to take your team to the next level!

### Scrum To-do List

Grab it now ! 

- to update list of impediments from daily scrum, stand-up and other sources
- to create an impediments board
- to order the items in the board
- to write sprint report to the team
- to share up any information building up sprint backlog log, think parts to support or enhance
- to make sure the team and the board are visible to team members
- to arrange meetings and team chats to each day new or weekly team members, product owners or stakeholders

**NOTE:** When to learn how to replace your team's productivity, get them solving their own issues and get them planned for the day? [Check out the Daily Scrum Checklist](#) so you can learn the steps you need to coordinate and communicate with your team every day! Get your Daily Scrum Checklist [here](#)!
